MEMORANDUM FOR: Henry Rowen, Director
National Intelligence Council
CIA

FROM: Lawrence J. Brady *LJB*
Assistant Secretary
for Trade Administration

SUBJECT: Intelligence Community Assessment of
the Impact of Technology Transfer on
the USSR

I want to provide my strong support for a national level assessment of the impact of technology transfer on the USSR as recommended in a January 13 memorandum to you I also concur in initially examining one sector of technology, such as computer technology, in order to provide an initial pilot assessment that might be adapted later for other technologies.
